Be afraid—the greatly expanded "informational" tax return required by the IRS for all non-profits is here. The government wants to know much more about your operations and allow funders to access these public records, which reveal how your agency spends its resources.

This seminar will cover:

- What you need to know about the new 990
- How to make the new 990 your ally in achieving your agency's goals
- Instituting ongoing procedures to make the 990 process less onerous

RSVP at www.communityuplink.net/bf990.html

For more information, contact Monica Merlis at mmerlis@jcrny.org or 212-983-4800 x122.

There is a \$10 registration fee that may be paid by cash/check on the day of the event.

The Bronx Forum is a project of The Center for Bronx Non-Profits (CBNP), which is funded by the J. P.
